Attorney's Docket No.: 19875-111001 / II-03-001

Proposed Amendments to Claim 25:

25. (Currently Amended) A system for pressure measurement, the system comprising:
means for determining a pressure of a pressure-conveyance media;
means for determining a temperature of the pressure-conveyance media;
means for determining pressure externally exerted on the pressure-conveyance media by
a process media based on the pressure of the pressure conveyance-media and the temperature of
the pressure-conveyance media;

The system of claim 20, further comprising means for determining whether it is time to
update a visual output device with the pressure externally exerted on the pressure conveyance
media.
